A good opportunity to bring youth to pray together as a family!

Blaise, who had studied philosophy in his youth, was a doctor in Sebaste in Armenia, the city of his birth. When the bishop of the city died, he was chosen to succeed him. In 316, when emperor Licinius gave the order to kill the Christians, Blasé was arrested. According to the Acts, while Blaise was being taken into custody, a distraught mother, whose only child was choking on a fishbone, threw herself at his feet and implored his intercession. Touched at her grief, he offered up his prayers, and the child was cured. Consequently, Saint Blaise is invoked for protection against injuries and illnesses of the throat. As the hunters led Blaise back to Sebastea, the story goes, they met a poor woman whose pig had been seized by a wolf. At the command of Blaise, the wolf restored the pig to

its owner, alive and unhurt. When he had reached the capital and was in prison awaiting execution, the old woman whose pig he had saved came to see him, bringing two fine wax candles to dispel the gloom of his dark cell. In many places on the day of his feast the blessing of St. Blaise is given: two candles are consecrated, are then held in a crossed position by a priest over the heads of the faithful or the people are touched on the throat with them. At the same time the following blessing is given: "May Almighty God at the intercession of St. Blaise, Bishop and Martyr, preserve you from infections of the throat and from all other afflictions". Then the priest makes the sign of the cross over the faithful.

We will be blessing throats here after all the weekend Masses on February 2nd & 3rd.

Prayer in honor of St. Blaise:

O GOD, deliver us through the intercession of Thy holy bishop and martyr Blase, from all evil of soul and body, especially from all ills of the throat; and grant us the grace to make a good confession in the confident hope of obtaining Thy pardon, and ever to praise with worthy lips Thy most holy name. Through Christ our Lord. Amen.
