Caring for Loved Ones at Life's end – The dying process is a sacred time.

We are created to depend upon one another and walk together in suffering. But when loved ones approach life's end, we may not know how to provide compassionate care. Surround your friend or family member with love, support, and companionship at are “anchored in unconditional respect for human dignity, beginning with respect for the inherent value of their lives”. *Learn about these 10 tips at usccb.org/endoflifecare.*

1. Invite God in.
2. Listen.
3. Inform yourself.
4. Be steadfast in compassion.
5. Help them achieve closure.
6. Provide opportunities for resolution.
7. Reminisce.
8. Provide a peaceful atmosphere.
9. Show tenderness.
10. Bear their transition patiently.
