Another Look at Contraception

To some, the Catholic Church's consistent teaching against birth control may seem outdated. Yet with each passing year, evidence of contraception's negative consequences keeps piling up. In the time since birth control first became widely used, science has shown that some contraceptives can cause early abortions; procured abortions and nonmarital births skyrocketed; and women have been subjected to sometimes serious or fatal health issues, as well as what economist George Akerlof calls "the feminization of poverty." As humans made in God's image, we are called to imitate His generous, sacrificial, life-giving, and eternal love. Through the Church's teaching, He invites us to a fuller, richer, deeper way of life and love.

**Be A Mission Voice!**

Today, with Catholics of the world, we are called to offer, at this Eucharistic celebration, our prayers and our generous financial support, through The Society for the Propagation of the Faith, to continue the mission of Jesus. Today we "speak up" through our prayers and personal sacrifices for our brothers and sisters in the Missions. As little as...

Your prayers and financial help, support mission priests, religious Sisters and Brothers, and lay catechists who are Christ's witnesses to a world so in need of His healing love and peace. Bridges of Mercy for Healing after Abortion

Maria, Vanessa, Li, Jennifer, and Darryl are among the tens of millions of Americans whose lives have been directly touched by abortion. Like so many others, they have experienced regret, guilt, and grief. But, as they have also experienced, God's healing love and mercy are always possible. Many Catholics want to help women and men who have experienced abortion, but some don't know how to begin. Visit [usccb.org/bridges-of-mercy](http://usccb.org/bridges-of-mercy) to learn how people from various walks of life can assist friends, family members, fellow parishioners, clients – or perhaps even themselves. Also, be aware that the US Church's Project Rachel Ministry for healing after abortion offers confidential, compassionate help. Visit [HopeAfterAbortion.org](http://HopeAfterAbortion.org).
