Flu Season Directives:

Bishop Mark has directed parishes in the Diocese to not distribute the Precious Blood in any form effective February 9-10. It is the belief of the Catholic Church that the whole Body of Christ is present under either form of consecrated bread and wine. The Bishop has also directed that the faithful should avoid bodily contact, such as shaking hands, during the Sign of Peace. A genuine nod of the head with eye contact with others at Mass will be the temporary practice. Bishop Bartchak's directives are the result of an advisory from public health officials that cases of the flu and similar contagious viruses remain a serious health concern at this time. During this flu season, reception of Holy Communion on the hand is encouraged; however, reception on the tongue may not be denied. The Bishop's directives will be followed throughout the winter months or until the flu season ends. The Diocese will announce when parishes may return to their regular practices.

Families and the Gospel... In today's gospel, Jesus asked Simon to start by "going a short distance." Later he asked Simon to "go into deeper water." The first step toward reconciliation is usually a "short distance" which gives us the courage to further "into deeper water." Reconciliation starts with the first short step!
