gratefully to bring about His kingdom. As stewards of our time, talents, possessions, and faith, we are called to put our lives in proper focus and to live in accord with one another giving love and caring support; to accept Christ's challenge as related in the Gospels – to serve one another.

On Saturday, September 15th, Precious Life of Bedford County will sponsor our 17th annual "Walk for Life" along the sidewalks in Bedford borough. We would like the people of Bedford County to know how much we Christians care about all unborn children and how important it is to us that their lives be saved. We also want the public to understand that the Precious Life ministry is present in Bedford County and cares for young women who find themselves pregnant and do not know where to turn for help with the decisions they must make as well as their physical needs. Finally we would like to raise

funds through pledges for walkers to assist with the operation of the ministry, including the ministry in Romania. We are sure that this demonstration of our concern will be successful if we have your support. Please put this date on your calendar and consider coming out on this short (just two miles total) but significant *Walk for Life*. Although we do hope to raise funds through the walk, it is even more important that we bring out a large number of people to demonstrate to our community how much we care. It does not matter whether you are walking for donations or just walking to show your support. Please just come out and walk with us on September 15th. Pledge sheets are available through the SJTB Friary.
