Third Sunday Of Lent - A Family Perspective by Bud Ozar:

The owner of the fig tree was impatient because the tree did not live up to his expectations. In families there are those who don't live up to our expectations. Imitate the gardener and give them more time and help. Don't cut them out of your life. Love asks us to be connected, not productive.

Stewardship Reflection March 23, 2025: –Third Sunday Of Lent:

Today’s readings capture the essence of God’s Lenten message to us, His people, offering words of compassion and mercy as well as warning of the need to repent and make the most of the gift of time He has given us. Jesus offers the parable of the unfruitful fig tree to further illustrate this truth. The owner of the orchard came searching for fruit on a fig tree he had planted in his orchard. Finding no fruit on the tree after three years, he told the gardener to cut it down. But the gardener intercedes and asks for one more year to cultivate and fertilize the tree in hopes it would bear fruit in the future. The fig tree was not dying, it simply wasn’t doing much of anything at all. Can this be said of us and our lives at times as well? The season of Lent is a time to reflect carefully on the way we spend our time. Do we give first priority to God, tending to our spiritual growth and sacramental life with diligence? Do we give next priority to our loved ones, focusing intentionally on them each day without distractions from phones, screens, or thoughts of work? If not, now is the moment to repent of our waste of time or of misplaced priorities on our use of time. God is merciful but just. Let’s turn to Him and ask Him to make our lives fruitful while we still have time to do so.

Father in heaven, may the faith you have given us in your son, Jesus Christ, our brother, and the flame of charity enkindled in our hearts by the Holy Spirit, reawaken in us the blessed hope for the coming of your Kingdom. Volunteer to take up the Offertory At Mass: During Mass, there's a little moment that often goes unnoticed. After the collection baskets are passed, there is a very meaningful part of the Mass: members of our parish carry the gifts of bread, wine and the offertory to the priest. **The entire congregation is represented by those who bear the gifts. Through this act, we return to God a small part of the many blessings that He has given to us. What a wonderful way to express thanks and joy to God by bearing these gifts! There is a sign-up sheet in the back of church for the month of February and March for families to sign up to carry the offertory gifts up at mass.**

Third Sunday of Lent Reflection:

Lent is the perfect opportunity to transform your prayer life from desperation to consistency.

Just practice the Two Ps:

- **Period of time.** Start with five minutes a day, to establish a habit. Pray when you're at your best. Give God your best time.
- **Place for praying.** Choose a space that will soon become sacred. A favorite place to meet God is in a chair that has been bathed with both tears and smiles over the decades.

What does God expect from you during this time? Real prayers: you being you. Real prayers express drudgery and inspiration, fear and joy, doubt and faith. Embrace the quiet and listen to God's answers.

IMPORTANT PLEASE READ -SERVICE GUIDELINES FOR HIGH SCHOOL STUDENTS

(Grades 9, 10, and 11)

"Whoever serves me must follow me, and where I am there also will my servant be. The Father will honor whoever serves me." John 12:26

Our baptism into the Catholic community not only welcomes us into God's family, but calls us to build up the body of Christ by following in his footsteps and devoting our lives to the service of others.

Individual Service:

The Christian Service component of the Confirmation process provides students with the opportunity to witness their commitment to Christian values through service to the wider community. Youth are encouraged to search out and perform a service that has a meaning to them. It can be performed in the parish, school or civic community. Students are required to complete a minimum of **15 Hours of service during each of their three years of formation (9th, 10th and 11th grade)**. Service performed as a requirement in their Catholic or public high school can be accepted as long as the required reflection paper and verification form are submitted. Reflection papers are a necessary requirement because it will help the youth understand, integrate and learn from the experience instead of viewing it as just a requirement. The reflection process includes scripture and questions that relate to their service.

Group Service:

As members of a Confirmation class, candidates are expected to perform as a group, The youth should participate in deciding what types of service they would like to do. A discussion with some suggestions can be appropriate, but let them be creative too! A total of 10 hours of service to their parish or community which includes a reflection period afterward. Five (5) hours can be completed in the Fall and Five (5) hours can be in the Spring. All service projects should begin with a short prayer to allow everyone to enter into the spirit of service. After the service has been performed, the group is brought together to pray, reflect and discuss the project (s) they performed and what it meant to them. Light snacks should always be provided! **This is a great opportunity to involve students in the life of the parish.**

SUGGESTIONS FOR COMMUNITY SERVICE:

In order to achieve the ultimate of forming disciples for apostolic witness and mission, it is essential that any community service be planned, with and by Candidate input and collaboration. It should be understood that the projects chosen, planned, implemented and completed be appropriate for the maturity and faith level of the candidates. No monetary offerings are to be personally accepted as a result of the service.

Efforts should be justice oriented and contain basic and simple catechesis that service is not only about charity but education and empowerment as well.
